

ISLAND RESORT TONGA

WELCOME
TO OUR LITTLE PARADISE

Imagine your very own South Sea island dream of turquoise coloured water and solitary beaches becoming reality.

Feel like Robinson Crusoe – far from everyday life – and relish the amenities of a First Class Resort.

Fafá's Charm

can be found in the beauty created by nature – its lush tropical garden and virgin island vegetation. The bungalows are built in traditional Polynesian style out of wood, palm tree trunks and leaves.

FALES (TONGAN HOUSES)

There are only 13 guest Fales on Fafa Island which of course means you won't be meeting too many people.

From our 6 Deluxe and 7 Superior Fales it's only a few steps to the beach and from the patio you have a breathtaking view of the endless Pacific ocean.

Take a shower in the magnificent flower garden of the semi open bathroom.

THE RESTAURANT & OPEN AIR BAR

If you feel like socializing
come and visit our restaurant and open air bar.

Fafa is renowned for its exquisite cuisine
with its abundance in seafood,
European and Polynesian dishes and
of course the endless stream of tropical cocktails.

PLENTY OF TIME

On Fafá you might escape to the beach to do some private sunbathing or simply enjoy island walks in complete silence and tranquillity.

You could of course swing away the day in a hammock with a good book and a delicious cocktail or even pamper yourself with a Polynesian massage ...

ACTIVITIES

We have snorkel gear, paddle boards, small sailing boats and a sailing catamaran at your disposal. We also offer daily excursions to uninhabited islands and coral reefs.

If you want to go scuba-diving or sailing – we will arrange.

If you need to get to the „big city“ or want to discover the main island – it's just a half hour boat ride away.

OUR TEAM

Our friendly Tongan staff is always ready to anticipate your every wish. Your German hosts will make your stay as pleasant as possible. Come and experience a romantic South Sea vacation in our little paradise.
